Headwaters RC&D
Ms. Kelly Sullivan, Executive Director
65 E. Broadway St.
Butte, MT 59701

Dear Ms. Sullivan,

On behalf of Granite County, we would like to express our support for Headwaters RC&D's efforts for recertification as a Certified Regional Development Corporation (CRDC), in responding to the Montana Department of Commerce's request for proposals.

Headwaters has been active in Granite County for decades. They provide small business assistance, loan services, technical knowledge and coordination between our communities, as well with state and federal partners.

They not only assist businesses throughout the region, but support community projects as well, increasing the livability and economic vitality of our communities.

We support Headwaters continuing as the regional economic and community organization in Southwest Montana and look forward to our continued partnership.

Sincerely,

Scott Adler, Chairperson
Board of Granite County Commissioners
