Subject: Multi County Grant Application for Bridges

Hi Maranda,

I wanted to reach out and see if there would be any interest in applying for some of the federal discretionary grants with a group of counties. I have been reaching out to several counties to gage interest, and plan to schedule meetings to strategize and plan for future applications.

I was hoping to apply for BIP, PROTECT, or RAISE in 2025/2026 if those programs are still available under the new administration.

With several counties and a variety of bridges, I believe the applications will be more competitive.

Let me know if Granite County would be interested in being a part of the discussion, and who the best contact person would be to meet with.

Best,
Shane
